

2026 NETSETGO program

Friday afternoon 4.30 pm to 5.30pm

Wangaratta Netball Association has aligned itself with Netball Victoria's updated NetSetGo program and with the program. This ensures players have the necessary foundational skills such as foot work, passing, understanding of positions and game awareness before playing in the Junior competition.

The new program offers quality age appropriate netball activities with fantastic manuals to assist coaches to follow a structured program consisting of a warm up, skill development and modified game/warm down,.

Unlike previous years, players are assigned to the **Net, Set or Go** program.

Register your child for NetSetGo online via Netball Connect in the appropriate age group.
